

Taking Action to Make Health Care More Affordable:

Senate Republicans Are Ensuring Patients Have Access to Affordable and Quality Health Care

- ☒ Strengthen and improve Medicare and guarantee seniors a prescription drug benefit
- ☒ Increase access and lower the cost of health care
 - ☒ Lower the cost and increase access to medical care by creating Health Savings Accounts
 - ☒ Provide medical care for the poor uninsured by increasing funding for Community Health Centers
 - ☐ Pass medical liability reform legislation
 - ☐ Make low cost generic drugs more affordable
 - ☐ Create consumer-driven solutions to expand affordable health care
- ☐ Improve access to health care for minorities
- ☒ Address the global AIDS crisis
- ☐ Pass genetic non-discrimination legislation
- ☐ Increase quality and affordability by passing a health information technology bill
